Dear Parents,

Welcome back to school after the Easter holidays. I wish all our families a holy, blessed Easter, which of course continues right up until Pentecost.

On Wednesday morning our Year 6 children led a liturgy for the whole school reflecting on Jesus' resurrection. This completed a series of Lenten / Easter reflections in which every child in the school has been involved. As always on a term-time Wednesday Fr Alexander celebrated Mass in the hall before school and it was great that there were more people than there were chairs. We will put out some more chairs next week! All are welcome – please come.

School governors are volunteers who dedicate many hours of their time and expertise to the school. A very big thank you to Andy Challis who has completed his term of office as a school governor. Andy was a local-authority appointed governor for a number of years, and then after the school's conversion to academy status remained on the governing body for two terms as an additional governor. In addition to contributions to the full governing body Andy was Chair of the governors' Resources Committee, which is responsible for the school's finances, premises and personnel. On behalf of the whole school community, thank you Andy for your dedication to our school.

Next Tuesday the school photographer will be here to take class photographs. Although it is great to see children in their summer uniforms Parents' Forum have suggested that we ask all children to wear their 'winter' uniforms next Tuesday (ie. shirts and ties in Key Stage 2) so that everyone looks their smartest, and so that there is not a mixture in each class of some children in winter uniform and some in summer.

Mr George

Mrs Twose’s last day as our School Business Manager will be Thursday, after which she will be moving to a role in another school closer to her home. It is not possible within a few words to adequately summarise everything that she has brought to our school over the last 2 ½ years. Some of the impact of her work is very visible to all: new cloakrooms, new fencing, new hall floor, new cladding etc. etc. etc. but there is so much more behind the scenes that has amounted to an immeasurable contribution to our school. Mrs Twose has demonstrated enormous commitment to her role and to our school. We will miss her.

Congratulations to the **82** children who had **100%** attendance in the Spring term! The overall attendance for the school year to date is 96.9%.

We celebrated a special ‘extra-curricular’ golden assembly this morning. We celebrated children’s achievements in: swimming, gymnastics, athletics, football, netball, dance, skiing, cubs, theatre skills, mathletics, rock climbing, medical science, violin, beavers, judo and singing. What an amazing group of busy of and skilled children!
